REVISED 01/2021

Welcome Voter!

This brochure is a quick guide to many of the elected officials who represent you. If you are a registered voter you can find ALL the elected officials who represent you at: VoteWA.gov.

Enter your name and birthday; click "Submit." From the left side box click "My elected officials" and the elected officials' names appear. No online access? Visit your library to use a computer or call Snohomish County Elections at 425-388-3444.

Now that you know who your representatives are, do you want to tell them about an issue or a concern in your community? Here are some ways to do that.

GET THEIR CONTACT INFORMATION. Use a website or phone number from this guide. A website will provide a way to contact them by email, list their committees, events, and possibly their positions on issues. At the local level, the website will let you know where a local board meets and the date, time and agenda.

MAKE YOUR VOICE HEARD. These actions have been effective for our League members, and they can work for you.

- 1) **Prepare.** However you contact the elected officials, it is essential to briefly and clearly express your position on an issue, why it is important to you, and what you want the elected officials to do. Ask them for their support. Your information could include how your position would make current law better, who agrees with your position, and why it is better than that of the opponents.
- 2) **Write, phone or email elected official(s).** Include your full name and address so they know you are a constituent—someone who could vote for them.
- 3) **Meet with your elected officials.** Search the website for meeting times and places of local governments. When you arrive, sign in and indicate by your name that you would like to speak. To contact individual elected officials, email or call to make an appointment.
- 4) In addition to directly contacting your elected officials, you could **write a letter to the editor** of a local paper. Check the requirements of the publication to which you are writing, but usually you must include your full name, street address, and daytime phone for verification purposes. Be timely, brief, civil, and persistent.

QUESTIONS? A League member might be able to help. Contact us by email at lwwsnohomishcounty@gmail.com.

Remember to update your voter registration if you move to another address or change your name. Go to VoteWA.gov and click on "Update name or address."
